Description

The Cape Scott is a 42M go anywhere Explorer yacht. Built to ice-class standards with the option of a double hull if required this is an Explorer to go anywhere. If you are planning an Arctic and Antarctic trip and would love the opportunity to build a suitable vessel to your own specification at a yard that also builds the Sea Axe from Damen then please contact us with your specifications and detailed requirements. Cape Scott is the world explorer with classic lines or contemporary styling with bespoke layout and accommodation to suit the most demanding yachtsman.

GENERAL CONSTRUCTION PHILOSOPHY

It is the intent and spirit of Cape Scott to construct, equip and furnish this yacht complete as outlined in the Specification. Some items in specification may be options on subsequent vessels.

All selected materials and manufactured articles for the vessels construction are new, of high quality and suited for marine use or purpose intended. The workmanship is guaranteed to be in keeping with current yacht building practices.

Cape Scott reserves the right to approve the manufacturer and model number of the vessels equipment. Equipment supplied by the Shipyard but not specifically included in the specifications will be of either North American or European manufacture or such equipment that is readily available and serviceable in those locations.
