Description

TOP TEN LONG-RANGE CRUISER

From Howard Chen and Guido de Groot's drawing board comes this prestigious yacht that will be at home in the cold of the Northern Hemisphere or the fascinating warm waters of the tropics. The Selene 78 Ocean Explorer results from an international collaboration of designers and architects under the Selene Design Studio's (SDS) leadership. Working closely with renowned Dutch architect Guido De Groot and a group of international consultants, SDS has developed a contemporary version of our long-range yacht while capitalizing on the Selene reputation for quality, experience, and innovation in the displacement yacht sector. It's an accurate and reliable explorer vessel with a stunning interior design, fabulous outdoor entertainment space and the legendary Selene Yachts construction.
